COMPETITION 2020**

Community  
Integrated  
Care

**Rugby League World Cup 2021 and our InspirationALL Social Care Partner, Community Integrated Care, have teamed up to invite someone who accesses social care to design the official RLWC2021 Christmas Card.**

### **GET CREATIVE**

We want you to have fun designing our Christmas card and use your imagination to bring the World Cup and Christmas together. You can use any patterns, shapes or colours you want in your design but we have included some RLWC2021 related images in this flyer which might help give you some inspiration.

We're not necessarily looking for the best artist. We just want to see a creative design that makes us smile and really makes us excited for Christmas and the RLWC2021!

### **PRIZES**

The winning design will become the official Rugby League World Cup 2021 Christmas card and be sent to the thousands of people on the RLWC2021 database. The one lucky winner will receive an exclusive VIP World Cup Experience, 1x RLWC2021 Christmas Hat and 1x RLWC2021 Christmas Stocking.
